# Activities during the Year 2014-15

## 1. Continuous and Comprehensive Assessment in School Curriculum

Under the head of this program, 1 seminar and 2 workshops have been conducted to understand and improve the curriculums. The

Continuous and comprehensive methods of Assessment in school

participants involved school teachers, parents, guardians and students upto std VII in pvt and governments schools in the Mayurbhanj district, Odisha.

The study reveals the assessment techniques and methodologies needs continual improvement based on local culture, geography and interest of the students and parents.

## 2. Awareness of advance technology in Education

During  
the year  
volunte  
ers  
campaig  
ned  
more  
than 30  
villages

in the blocks of Kusumi, Rairangpur, Bahalda, Jamda, Bijatala, Tiring during the span of September 2014 to January 2015 and created awareness among the villagers about the usage of latest technologies i.e. Smartphones, Tabs, Smart Class (Digital Class technology), video tutorials etc and their usage and benefits in the regular studies.

3.

Vaccination  
Camp for  
Children

100% children should be immunized and SEHS take opportunity to partner with the Sub-divisional hospital, Rairangpur to conduct awareness campaigns for vaccinations to

children and parents in and around the Rairangpur Municipality. On 11<sup>th</sup> October 2014 more than 390 students from nearby were vaccinated during the camp conducted at Sparsh Public School premise.

#### 4. Awareness Camp for Girl education

Education is every child's right. It equips them with the knowledge and skills they need to realize their potential and to protect themselves from harm and the better quality of life education brings, translates into huge benefits for society. That's why education is

essential to the development of every country. However, girls are far too often left behind. If this continues, such progress will never be made. SEHS aims to intend to partner with the society to develop the awareness for education for girl child. On 17<sup>th</sup> October, 2014 and on 28<sup>th</sup> November, 2014 SEHS conducted two awareness camps among girl students for higher studies.
